Whether you are taking the Challenge Test to skip a grade, advance the curriculum, aim for better grades, or get a deeper understanding of the concepts, these courses will give you a solid foundation needed to succeed in school. Course Readiness may be assessed before joining.

Practice session in Spring is designed for students who have finished the course and wish to advance by passing the Challenge / Standardized tests. To maximize the effectiveness, the guided program is designed so students may exercise on different concepts at their own pace. This flexibility allows students to focus on improving the areas of their own weakness.

Please circle the course and time signing up (Schedule is subject to change)
