### *MathEdge+: Sharpen Problem Solving Skills and Excel in Math Competitions (GK-12, for advanced students)*

Program teaches valuable problem solving skills, critical reading, logical math, written and oral presentation skills-all in one package. MathEdge students achieve great success in major national and international math contests.

### *Writing+: Polish Your Writing Skills (GK-12)*

This program aims to educate students on perfecting their writing techniques and cultivating stronger writing skills through various types of compositions (narrative, expository, persuasive, cause and effect, response to literature, book reports, summaries, biographies, etc.).

### *Math6 | preAlgebra | Algebra | Geometry | Algebra2 Course*

Whether you are taking the challenge test to skip grade, advance in the curriculum, aim for better grades, or to get a deeper understanding of the concepts, these teaching courses will give you a solid foundation needed to succeed in school. This full curriculum class is designed for all levels of learners from remedial to the advanced.
