

Common Core Test Prep Policy

Offered by **MathEdge**, an **expert** in Problem Solving & Competitive Math Training

Fremont Site: 43385 Ellsworth Street, Fremont CA 94539
(510) 573-4780, www.mathedge.org, MathEdge.fremont@gmail.com

Want to ace the common core or placement test for 3rd – 8th students? Many of our past students have scored in the 99th percentile. We want you to achieve that too!

Make-up class:

If you miss a class and need a makeup, you can do it within the week by informing us at least 24 hour before your class.

Parking lot for pickup only: Important*

Since MathEdge is sharing the parking lot with other tenants, and our parents may occupy all the parking slots if every parent use the parking lot whenever they come, we ask your cooperation to use the parking lot only when you drop off your child, and stay no longer than 5 minutes. If you may stay longer than 5 minutes, please park on the street. Please always follow this rule: **park on the street and walk to MathEdge office when you are coming to pickup your child. Also, you are not allow to park on the driveway no matter in your pick up or drop off visit.**

Drop off and Pick up:

The class will start and finish on time. Please pick up your child within 10 minutes after the end of the class. Late pickup fee will be assessed at \$1/min after 1 warning. Payment must be made at the time of late pickup. For your child/children safety, no child is allowed running or being left alone in the parking lot.
