## Learn About Our School Year Programs

**Math&EnglishCore**: Get Prepared for **Common Core!** (GK- 8) (Year Round)

MathEdge is a pioneer in teaching problem-solving skills. What **Common Core** promotes now, we have been teaching for over a decade.

This is a guided program created to help students achieve day-to-day success and ace their common core tests in school. Each student can pace themselves under expert guidance and is encouraged to advance to their full potential. This program teaches students to make sense of problems and persevere in solving them, to reason abstractly and quantitatively, to construct viable arguments and critique the reasoning of other, to attend to precision, to look for and make use of structure, and to look for and express regularity in repeated reasoning.

**Middle School Math Advancement / Placement Prep: (G5-8)**
