2) 6/25/18 – 6/29/18	4) 7/16/18 – 7/20/18	6) 7/30/18 – 8/3/18

MathEdge Summer Camps in partnership with Bricks4Kidz is designed around the 21st century learning and teach the fundamentals of S.T.R.E.A.M education concepts. We focus on creating a fun and inspiring learning environment in key curriculum areas like Math, Language, Science, and Lego Robotics. Our unique MathCore and EnglishCore programs focus on developing Problem Solving Skills and Creative Writing for students to succeed with Common Core and excel in school. Our Science, coding, and Lego Robotics curriculum, in collaboration with Bricks4Kidz, is designed to stimulate critical thinking, problem solving, collaboration and effective communication. At MathEdge and Bricks4Kidz we take the stress out of learning and give your child an extraordinary experience to succeed in today's world of engineering and robotics.

You can sign up for just two weeks or all six weeks of our Summer Camp. Each two week program has different content and this STREAM focused Learning camp (G1-8) at our Creativity Center includes Robotics, Coding, Game Design, Math Kangaroo (G1-3), Math League & Math Olympiads (G4-5), AMC8 (G6-8) with English Language Arts, Writing Skills, and Science experiments for all grades.

Our two week STREAM Summer Camp (Grades 1-9) includes:

- MathCore, EnglishCore and Science
- Lego Technic and Robotics
- Game Design and Science Experiments
- Highly Qualified Teachers
