Try Out To Enter A Prestigious World Math Competition in Taiwan and 12-Week Training:

If your child enjoys solving math problems, he/she is invited to try out for the **USA-Silicon Valley teams** that will compete in an **International Math Contest in Taiwan in July 25-30, 2012**. The competition is composed of two divisions:

- 1) Lower Division (students must be grade 6 or lower) 2) Upper Division (students must be grade 9 or lower)

Student who scores in the top10% in the 2) IMC tryout will be invited to go through a 12-week intensive training. Another test will be administered to determine the final students representing the USA teams to compete in Taiwan. **For these students, all expenses (except airfare) for room & board, and local tours in Taiwan during the six days will be covered.** Parents will be notified of the tryout results through email.

Qualify for Free Summer Camp Training in Hong Kong Conducted by IMAS

For the students who performed well in both rounds of IMAS contests, a free **Summer Camp** will be held in **July at the Hong Kong Polytechnic University**. **Free training, meals, and accommodation (except airfare) will be provided for the invited participants.**

Tryout Awards:

From the IMAS Round 1 tryout results, the top 3 students in each grade will receive a trophy. In addition, there will be personal reports, certificates and medals from IMAS.

**MathEdge will not be held liable for the invitation cancellation under any circumstances.*
